## ELLISTON COMMUNITY & VISITOR INFORMATION CENTRE NEWS

### AUSTRALIAN SALMON FISHING COMPETITION 2019

**Thank you to everyone who participated in the 2019 competition, there were some changes made this year as we ran the competition for one month instead of the usual three months. We have had a lot of feedback which we will take on board for 2020. We will review how 2019 compared to the years it has been run for 3 months and are hopeful for additional business/committee support so the competition can still continue to run. If anyone is interested in being involved in the annual competition, please contact us at the centre. We welcome everyone and appreciate time and efforts provided by everyone involved**

**Thank you to the on-going support from our generous sponsors. Without you and your support the competition would not be able to go ahead. A big thank you to our wonderful volunteers who have donated their time to weigh the salmon on weekends and out of hours.**

**With 280 entries weighing in up to 3 salmon each time during July, Talia proved to be a reliable spot as 4 out of 5 weekly winners for the heaviest salmon were caught from there.**

**Phoning the winners on a Monday morning was a very enjoyable part of the competition!**
