Venus Bay Playground Precinct Proposed Permanent Dry Zone

The District Council of Elliston is considering applying for a Permanent Dry Zone area at the Venus Bay Playground Precinct to be in force for the period 9.00pm to 9.00am daily.

A Dry Zone is a place where you are not allowed to have or drink alcohol. The purpose of a Dry Zone is to curb alcohol related problems and anti-social behaviour in public areas.

The proposed Dry Zone area comprises portion of Lot 51 -14 Matson Terrace Venus Bay (Ct5752/757) and applies from the corner of Matson Terrace and Bay Road extending along Bay Road for seventy nine (79) metres, then easterly to the boundary of Lot 51 and Lot 15 (12 Matson Terrace), then along that boundary to Matson Terrace boundary and back to the corner of Matson Terrace and Bay Road.

A map of the proposed Dry Zone can be obtained from Council's website www.elliston.sa.gov.au

Council sees feedback from the public to determine the community's opinion on the proposed permanent Dry Zone at Venus Bay Playground Precinct.

Anglican Church

Following a recent Parishioners' meeting with the Bishop John Stead, it seems the Sheringa [St John's] Church will have services periodically with a priest from Streaky Bay. Also the Sheringa Church could be used by other Christian denominations for the purpose of worship. The Colton [St Luke's] and Elliston [St Andrew's] churches did not really have enough representatives at the meeting to make decisions. As a result, the Bishop will likely visit Elliston/Colton, for a Public Meeting to decide what future our two churches may have, if any. Please watch this space, we shall be notified when such a meeting is to occur and interested locals may like to come along [especially if the buildings are to be sold]
