Anglican Church

Following a recent Parishioners' meeting with the Bishop John Stead, it seems the Sheringa [St John's] Church will have services periodically with a priest from Streaky Bay. Also the Sheringa Church could be used by other Christian denominations for the purpose of worship.

The Colton [St Luke's] and Elliston [St Andrew's] churches did not really have enough representatives at the meeting to make decisions. As a result, the Bishop will likely visit Elliston/Colton, for a Public Meeting to decide what future our two churches may have, if any.

Please watch this space, we shall be notified when such a meeting is to occur and interested locals may like to come along [especially if the buildings are to be sold]
