Information Centre

Do you enjoy meeting people, being involved in the community, you want to upkeep or refresh your computer skills and have some free time in your day?

How about spending it here with us at the Elliston Information Centre, talking about our beautiful district.

If you would like to volunteer, once a month, once a fortnight or even once a week we would love to have you come and join us.

We will provide training with other knowledgeable workers and you will gain experience in many areas. We are creating a casual pool of staff for occasional paid administration hours and our volunteers will be the first to be offered any available hours.
