## ELLISTON COMMUNITY & VISITOR INFORMATION CENTRE

### ELLISTON MARKETS

We are looking for active members in the community to join the Markets committee, as a member you will bring your ideas and suggestions to the meetings, have a say on the dates for market days, help set up and run the day of the market as well as help us decide on how the money raised from stall fee's is spent towards future markets. We recently invested in stall holder insurance to make it more accessible to have a stall. Encouraging more stalls on market day. We generally hold markets each school holidays, with Easter being the next date, we'd love your input on what day would suit the community and visitors. As always we are excited to welcome any new stall holders and open to new ideas that anyone may have. Please come and see us at the centre to express your interest, we would greatly appreciate your help and opinion.
