Many mosquitoes are at their biting best around dusk and dawn, but some can bite day and night.

COVER UP

Wear long, loose fitting, light coloured clothing, covering as much of the body as you can. Mosquitoes can bite through tight clothes like jeans.

REPEL

Use insect repellent containing DEET (diethyl toluamide) or picaridin and always follow instructions on the label.

ELIMINATE

Stop mosquitoes breeding in water pooling around your holiday house, shack, boat, caravan or tent.
