May 2023

ELLISTON COMMUNITY & VISITOR INFORMATION CENTRE

Approx 150 people attended the Anzac service on Tuesday 25th April. About 80 people attended the bacon and egg breakfast in the park. \$157.50 was raised from badges and donations towards Legacy. Thankyou to everyone that helped before, during and after the service and breakfast. A lovely morning for a fitting tribute. Lest we Forget.

District Council of Elliston is committed to returning lost animals to their owners. Microchipping is the most effective form of permanent identification for your dog or cat. Collars can come off or be removed, tags can fade or become outdated. Inserting a microchip means your pet can be easily identified by a Council Officer, animal shelter or veterinarian, regardless of the situation. Once identified, you can be contacted immediately and informed of the location of your pet. In South Australia it is compulsory for ALL dogs (including working dogs) and cats to be microchipped. ALL dogs AND cats in the District Council of Elliston must be registered in Dogs and Cats Online with the microchipping details.
