Ambulance Volunteers Needed

*"Ask not what your Community can offer you -
What can you offer your Community?"*

We have a dedicated Team of 6 Volunteers covering 28 Shifts each week, this is very hard to maintain and as some Volunteers are ready to retire we desperately need more Volunteers for this vital service.

Without a local Team, Ambulance respond times will vary depending on the neighbouring Town of despatch.
Keep this vital Service operating and available for your Community by volunteering your time.

All training and Uniforms supplied, no out of pocket expenses.

To find out more catch us at Training Thursday's

COMMUNITY NEWS

Happy new year to everyone. I would like to reflect back to year 2023 about my hip giving up and a new one put in. To the Elliston Hospital, medical centre, SA Ambulance and the flying doctor, my treatments and care from everyone was absolutely brilliant and I would like to thank all the people who helped me out for those three months.
Thanks, Horse.
